

## **HVAC Apprentice**

Spurk HVAC is accepting applications for talented and energetic HVAC Apprentice. All applicants should bring a positive attitude and be willing to grow as an individual and within the company. We are a family-owned company that takes great pride in customer satisfaction, teamwork, and values.

### **A day in the life**

As an HVAC Apprentice, you are eager to learn! You ask questions, observe, and emulate the values we adhere to here at Spurk HVAC. You go out in the field with our experienced technicians and help in servicing, maintaining, and installing heating and air conditioning systems. As you assist them, they mentor and train you on everything you need to know from how to talk with customers to how to properly service equipment.

You are a hard worker who does whatever is asked of you and pays close attention to what you are being taught. You enjoy interacting with customers and fellow employees. Motivated to improve your skills, you take advantage of every learning opportunity.

### **Qualifications:**

- Valid driver's license and insurable driving record.
- Must pass drug and background screenings.
- At least 1 year of HVAC experience a bonus.
- Certificate of completion from HVAC Technical School.
- EPA Universal Refrigerant Handling License a bonus.
- Ability to lift 80lb+, access crawlspaces and attics, use ladders.

Spurk HVAC is an Equal Opportunity Employer and is a drug-free workplace. Candidates will be subject to a preemployment drug screen and background check. We offer a competitive benefits package which includes health, dental, vision and paid time off. Pay is commensurate with experience.

If you feel that you would be an excellent addition to our team, please fill out the form below, and we will contact you to set up an in-person interview. Thank you for your interest.
