

## **HVAC Installer**

Spurk HVAC is accepting applications for talented and energetic team members. All applicants should bring a positive attitude and be willing to grow as an individual and within the company. We are a family-owned company that takes great pride in customer satisfaction, teamwork, and values.

We are looking for a hardworking and talented HVAC Installer. The professional we select will apply technical skills and knowledge to install, start-up, and troubleshoot new systems. In addition, this person will install ventilation, heating, and air conditioning systems within residential settings.

### Qualifications:

- 1+ years in a construction trade role, hands-on HVAC or carpentry experience a plus
- Moderate lifting (up to 75 pounds)
- Ability to climb ladders-Work from 32' extension ladder and 12' step ladder.
- Ability to complete instructed tasks and required paperwork.
- Technical aptitude to install the equipment correctly.
- Ability to work independently.
- Self-motivated to complete assigned tasks within time constraints.
- Driven to succeed and able to work with minimum supervision.
- Demonstrate a willingness to invest time in HVAC training seminars and classes.
- Demonstrate a willingness to accept responsibility.

Spurk HVAC is an Equal Opportunity Employer and is a drug-free workplace. Candidates will be subject to a pre-employment drug screen and background check. We offer a competitive benefits package that includes health, dental, vision, and paid time off. Pay is commensurate with experience.

If you feel that you would be an excellent addition to our team, please fill out the form below, and we will contact you to set up an in-person interview. Thank you for your interest.
