
Job Description

Spurk HVAC is looking for an experienced Commercial HVAC Installer to join our growing team. This is a lead position with a great opportunity to join a company that has seen significant growth since inception and to be a part of a company culture that values its employees. As an installation professional, you are a key member of our team responsible for the quality and efficient installation of HVAC systems. Candidates must be self-motivated, dependable, thrive in fast moving environments, able to manage time, effectively meet deadlines, and have proven communication skills with supervisors, employees, and clients.

Salary:

· \$30 - \$40/hour, depending on experience

** \$5,000 Sign on Bonus **

Qualifications:

- Minimum 3 years' experience as a Lead Installer on Commercial Projects
- Strong leadership skills
- Ability to multitask and manage multiple projects at one time
- Highly organized with good communication skills
- Ability to read and break down ductwork and piping blueprints
- Ability to pass background check and drug screening
- Valid driver's license

Benefits:

- Health, vision, and dental insurance
- PTO package
- Company match 401k
- Paid training and tuition reimbursement
- Referral program
- Company vehicle
- Company phone and iPad

Education:

- High school or equivalent (Preferred)

Schedule:

- 8-hour shifts
- Monday - Friday
- Able to work overtime as needed

Spurk HVAC is an equal opportunity employer and all applicates who feel they are qualified for this position and encouraged to apply.

Job Type: Full-time

Pay: \$30.00 - \$40.00 per hour
